Audio, Video and PowerPoint production for "Historic New England" fundraiser at the Ritz-Carlton Hotel, Boston.

events.
From 50
to
50,000
seats

and more, K Systems can supply the equip-

ment, the personnel and most importantly the experience needed to make the maximum impact on your audience. K Systems has been in the business for over 25 years and has provided services for events on 3 continents and many of the major venues in New England.

New Hampshire Democratic Party Event for NH primary 1-4-08.

Our services include, but are not limited to, Company and College / School events, all types of outdoor con-

certs, trade shows, Corporate Meetings, social events, seminars, House of Worship production rental and installation, private parties. *Our experience is the key.*

Presentation Services

K Systems knows the difference that a professional A-V approach makes when it comes to your Corporate event. Our experience includes Fidelity Investments, Colby College, Curry College, International Churches of Christ, Historic New England, AstraZeneca, and Massachusetts Horticultural Society to name but a few.

Yamaha digital consoles are an important part of Presentation Services.

Sound and Lighting

The very best sound and lighting companies have one thing in common: experienced personnel. When it comes to your event being perfect, you simply cannot afford to take chances with a company that does not possess the experience.

K Systems has a history of many years' worth of tried-and-true methods gathered and refined from literally hundreds and

Part of our JBL Line Array at the Wang Theatre, Boston, MA.

hundreds of events. We have the edge, we have the technology, and we have the people that will make your event the very best it can be.

Installations

An important aspect of our services include permanent installations. Some of our installation venues include Colby College

PA system installation at Sanford, ME high school football field.

in Waterville ME, Temple Beth El in Providence RI, and New Horizons Assembly of God in Lowell, MA. In addition, we have installations and upgraded systems at Eagle Heights Assembly of God in Revere, and Temple Emanuel in Newton, MA. K Systems also provides custom design and construction of modular wiring looms for fast and easy assembly of portable and semi-permanent sound systems and accessories.

Custom audio wiring harnesses and patch / multipin systems.

Thank you for your interest in K Systems, please call (978) 683-2112 for more info.
